Dear Prof. Nykyruy,

Completion of the NATO Science for Peace Project G4536

This letter is to certify that NATO's Emerging Security Challenges Division considers that the work described in the latest approved Project Plan has been satisfactorily completed. Therefore, under the terms of the initial grant letter and subsequent grant documents, NATO's support for this project is ended.

I am pleased to inform you that NATO is herewith transferring ownership of the equipment (Inventory Record refers) purchased through the SPS funds thereunto allocated.

You are reminded that NATO reserves the right to audit your use of the funds it has provided. For this purpose, you are requested to retain all accounting records, invoices and vouchers documenting your expenditures for three years following the present completion of NATO's support.

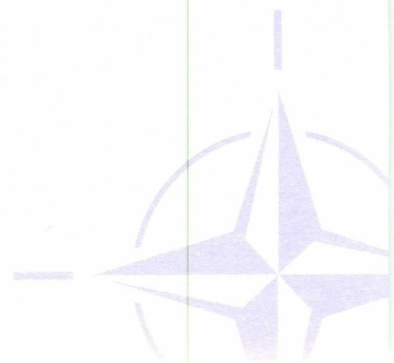

On behalf of NATO, and the SPS Programme Staff, I wish you and your colleagues much future success.

Yours sincerely,

Dr. Deniz Beten
Senior SPS & Partnership Cooperation Advisor
